Honored Guests Day 250 Sit Down to Dinner

The annual dinner and social for Raymond's honored guests was held in the Opera House on Wednesday March 7th and was the usual success. From 9 a.m. until 1 p.m. when the guests were seated at the dinner table the cooks were busy at the kitchen getting the meal ready. Others were setting tables and decorating the hall, and many were diving around gathering up the food donated for the day.

At 1 p.m. dinner was served and 250 Honored Guests and committee members were served to a dinner of the best available and all they could eat of it. There was also plenty to serve a lunch at supper time to all who desired to remain for the evening and the dance.

The program at 2 p.m. consisted among other numbers of a few words of welcome by a Committee member a piano solo by Mrs. Emma Dahl, Piano Trio by the Erickson children, Piano solo by Mrs. Jas. E. Anderson, Piano Duet by Mrs. Emma Dahl and Miss Shirley Allen and a number by the Lions Club singers and a trio by Beth McBride, Gen. Hawkins and Laura Watson.

Then a pleasant two hours was spent by the guests in visiting and reminiscing and in the evening, preceding the dance, a group of 2nd Ward players presented the one act farce which had been put on the night before and provided a few minutes of entertainment for the crowd.

The married folks dance was as usual well attended by married people of the town and district and all enjoyed the evening and the music.

Harrison Palmer, Wayne Gough and Wayne Holland joined the Canadian Active Army last week and have gone into training in Calgary.

More Blood Donors Needed

Come on neighbors, if you haven't given your blood donation yet, get busy, and sign up. There is a shortage now and it isn't time to start over the list again. Then too, arrangements have been made to have eighteen donors a week instead of twelve so it's going to need six more weekly.

We didn't think much a lot about this blood donation business until Lieut. Piegras returned home and said he owed his life to the Red Cross. He was wounded in the war and then we wondered how many other thousands of our men had been brought back to life through Red Cross blood work. Think of what your pint of blood may do. You would feel awfully ashamed if we fell down on this important work and soldiers were sacrificed because of a shortage of serum. Think of it.

Some seem to entertain an unhealthy fear of going for a blood donation. There is absolutely nothing to be nervous about. Tests are made and if you are not in good physical condition you will be asked to come back again. Dr. visions are made for a period of relaxation after your donation is made, but it is passed and so far as we can find out, if you follow instructions of those in charge, you can take about an hour off to give your blood and then return again to your work so long as it is not too strenuous.

Keep up the good work. Before spring comes and you get too busy make one donation to the clinic and then wait your call for your second one. After all, you're not too busy to assist in saving lives are you.

LADIES AID MEETING

Twelve members of the Ladies Aid of the United Church met at the home of Mrs. Dagnard on February 23rd, with Mrs. Helgeson the assisting hostess.

Mrs. Ball, the president, opened the meeting with devotionals after which routine business was discussed. It was decided to hold an Easter Tea, details being deferred until the next meeting.

Rev. Marsten notified the Ladies Aid that a Christmas Service will be held on Easter Sunday. Any members of the congregation who have children they wish christened are asked to contact Mrs. Ball.

The next meeting will be held at the home of Mrs. Ball on Friday March 16th at 7:30. All members of the congregation who are interested in the Ladies Aid are cordially invited to attend.

Meeting of Red Cross-- Work Room Report

The annual meeting of the Local Red Cross Society was held in the Second Ward Chapel February 27th with over 100 people present. President Lee Bowerton conducted the meeting.

Dr. and Mrs. Madill gave reports on the Blood Donors Clinic which is being conducted here. To date there have been 103 donors and at the present time they can handle 18 per week.

Mrs. Gen. Hawkins reported on the work room, and said they had always filled their quota. The cash statement was given and showed that a total of \$3311.43 was donated to the Red Cross last year \$3298.13 of that during the campaign. But we spent \$3398.64. This left a cash balance at Dec. 31 of \$360.18.

The officers and Executive Committee remain as at last year: Lee Bowerton, President; C. R. Wing, Vice-President; D. M. Holladay, Sec-

retary-Treasurer; Mrs. Evelyn Madill Secretary of Ladies Work Committee; Work Room Personnel, Mrs. Gen. Hawkins, Mrs. Lizzie McLean, Mrs. Clara Reithman, Mrs. Ellen Winkler, Mrs. Baby McMullin and Mrs. Doris Hall. J. W. Evans is Campaign Manager.

Following is the report of our Red Cross Work Room and we feel that those in charge and all the ladies of the Town and district are to be congratulated for the work done. We asked the Work Room Supervisor how she felt about it and she said "It is very good, but considering the great need for Red Cross articles we would very much like to have more work done." We are wondering if there may be some who have not been doing Red Cross sewing or knitting who could go to the rooms and get some work and lend a hand in this important work

off-to-saving comfort. Here is the report: Knitting Department.

33 turtle neck sweaters, 1 boys sweater, 1 neck sweater, 3 turtle neck tuck-ins, 2 coat neck sweaters, 22 girls sweaters, 2 baby sweaters, 104 pr. mens socks, 7 pr. ladies socks, 3 pr. boys socks, 6 pr. baby booties, 2 children's toques, 2 ladies toques, 1 mans toque, 6 caps, 1 ribbed helmet, 3 scarves, 17 pair socks, 5 pr. socks, 9 pr. men's gloves.

Sewing Department. 82 pyjamas, 26 large quilts, 9 small quilts, 179 kit bags, 15 dunnage bags, 40 pillow cases, 10 sheets, 91 handkerchiefs, 5 women's night gowns, 5 girls dresses, 6 girls slips, 80 girls bloomers, 45 children's panties, 30 infants nighties, 32 infants slips, 73 children's vests, 79 napkins, 29 pr. stockings, 80 stump bandages, 20 O. R. wraps.

Mrs. Roy Woolley spent the week end with her mother in Cardston.

Playing the third of their playoff series on the Opera House floor Monday night last, the Jacks evened the count and wiped out the defeat of the Friday night previous in Magrath by trouncing the Magrath Lions 57-42 in a fast and exciting game to put the Jacks one game ahead of the Lions, the standing now being 2 for the Jacks, 1 for Magrath.

Mickelson was high scorer for the evening with 20 points, followed by Turner with 15. Riley led the Magrath attack with 8, D. and B. Sabey and Spencer each getting 6. It was an interesting duel between Turner and Riley, the Raymond player held Magrath's spark plug to 8 points, while snaring 15 for himself.

The house was jammed with excited and wildly cheering fans as the play surged from end to end of the hall. Magrath brought a large contingent of fans with them as usual.

Rolfson and Fletcher kept the game well in hand and were kept on their toes all the time to keep up with the play.

Following is the lineup and scores: Magrath: Riley 8, B. Sabey 6, Hamilton 5, D. Sabey 6, Toomer 7, Spencer 6, Cardwell 2, Sloan 2, Total 42.

Raymond: Nader 10, Hal Walker 1, Horne 9, R. Walker, Turner 15, Mickelson 20, Rolfson 2, Deulch, Evans, Heggie, Total 57.

Solon Low Speaks

With W.S. VanOrman in the Chair and a fair sized audience present, the Hon. Solon Low, Minister without portfolio in the Alberta House and local representative was listened to in an address which lasted a little over an hour last Friday night in the Opera House.

Preceding Mr. Low, local officers spoke of the forthcoming Dominion election and urged complete and full organization for this so that our present member, who had been renominated could again be returned to Ottawa.

The speaker opened by complimenting the people on the improvements noted in town and especially on the improvements in the Opera House which has been made into a fine community centre, a real asset to the community. He referred to his recent six weeks trip across Canada during which time he had attended 30 public meetings made several radio addresses and had had hundreds of conversations with people interested in the policy of Social Credit. Our people are not as united as we should be and many are seeking an answer to the questions which the postwar period will present, and many feel that Social Credit has the answer. It is commanding attention in all parts of the country and good live groups had been organized in every place where meetings for this purpose had been held. He stated that he was prepared now which would be made from seven centres in Ontario. Social Credit had been accused of communism, but the National Leader said "we are not communizing with anyone, but anybody is welcome to join us if they want to" and he stated that there was no need of seven or eight political parties, because there was plenty of opposition in even one party.

He devoted part of his time to the questions of Postwar Canada and compared the output of today per man home with that of the period preceding the war and said that the talk of full employment after the war considering full employment a five day eight hour week was ridiculous. Our present system of finance offers nothing after the war but

The Continuing Job of the CANADIAN RED CROSS

THE EUROPEAN WAR is nearing its end. That is obvious. Many people, including members of the Canadian Red Cross, have asked us what our job will be if the war should suddenly end.

We reply that we can only see ahead greater responsibilities than ever. Both in Europe and at home the work of the Red Cross must go on. The war will not bring an end to suffering and want, to the care of our Prisoners of War, to our Wounded, and to the millions whose homes and way of life have been dislocated by strife.

We therefore feel that every Canadian has a right to some knowledge of what our responsibilities will be in the event of peace, and just how we propose to discharge those responsibilities. We treat each of our main activities under its respective heading.

PRISONERS OF WAR—With the end of hostilities our Prisoners of War will automatically cease to be Prisoners. Chaos and breakdown in Germany will probably ensue. The German state will cease to care for them. They will become wards of the Allied General in command of the Occupation Forces. Transportation will be difficult, and it will probably take a minimum of six months to repatriate the 2,400,000 Canadian, British and Allied Prisoners in German Camps. The need of Prisoners' Parcels and Medical Supplies will be doubled. They will be distributed by the Allied Command, and will play a vital part in feeding our men pending repatriation. After the magnificent job we have done during the last five years we cannot let our boys in German prison camps down. Our Prisoners in the Far East will also be a continuing responsibility. We must carry on until every man is back home.

EUROPE'S STARVING MILLIONS—The job of feeding Europe's hungry millions is staggering in its immensity. Over 17,000,000 humans have been torn from their homes. Many have nowhere to rest their weary heads. They are starving. Malnutrition is the rule rather than the exception. There will be an urgent need for food, clothing and medical supplies. The Red Cross in these stricken countries are utterly dependent on their sister societies for supplies to meet these dire needs. Can we let them down? The Canadian Red Cross must go on!

RED CROSS WORK WITH OUR ARMED FORCES—Until the last Canadian soldier has left Europe and has been discharged from hospital, there will be important work for the Red Cross to do. How long this will be we do not know, but one thing we are certain of and that is that every Canadian at home will want to make sure that our boys will be as well looked after with the coming of peace as they were in war. The care of the wounded both in Europe and Canada is a permanent responsibility which we cannot evade. No Canadian wants to evade it. Here again the Red Cross must go on!

BLOOD SERUM SERVICE—Red Cross Blood Serum has saved countless lives in battle. The end of the war will see the end of painful war wounds. The demand for serum on the fighting fronts, except the Far East, will cease. But the Red Cross Blood Serum Service should be continued for civilian use. If the Red Cross makes it freely available it can save thousands of the lives of our own civilian citizens when war has ended.

OUTPOST HOSPITALS, CHILDREN'S CLINICS AND DISTRICT NURSING SERVICE—This is part of the Red Cross service to civilians in Canada. It is carried out in the sparsely settled parts of the Dominion, and it must go on.

FIRST AID AND HOME NURSING SERVICE—One of the finest peacetime activities of the Canadian Red Cross. It is truly a worth-while work and must go on.

TEACHING CANADIANS HOW TO BE BETTER NOURISHED—There is important work yet to be done in the matter of Nutrition. Thousands of Canadians are not eating the proper food. Their health could be improved immeasurably. The Canadian Red Cross has undertaken to educate where education is necessary. This work must go on.

PREPARATION TO MEET EPIDEMIC OR DISASTER—In case of these twin evils the Red Cross is always first on the job. For this reason alone the Red Cross must go on.

JUNIOR RED CROSS—A great crusade of 900,000 Canadian school children for health and good citizenship. A work that must go on.

NEWS NOTES

Mrs. S. I. May spent the weekend with relatives and friends in Cardston.

Mr. and Mrs. Thurston Smith are spending a two weeks leave with relatives in Raymond. P. O. Smith is with the R.C.A.F. in Calgary.

Despite the inclement weather over the weekend the Music Makers Ball Saturday evening was very well attended and everyone had a most enjoyable time.

Stirling is having a Big Supper and Dance on March 22nd to raise funds for their Swimming Pool project. Bills are being put up here this week with the details.

Another supper is being served in the Hungarian Hall next Thursday evening, March 15. Proceeds will be divided equally between the Red Cross and the hall management committee. Everyone is urged to attend.

Wednesday and Thursday were lovely spring days with quite a lot of the snow melting Wednesday.

"One of the greatest pictures ever made" at the Capitol on Friday and Saturday. "FOLLOW THE BOYS" Be sure and see it.

Lord Dawson of Penn, physician to four British kings, died early Wednesday at the age of 80. He had served the English poor as well as royalty during his long and distinguished career.

Eight are missing after the four explosions in Vancouver harbor which tore the Greenhill Park, a year old freighter apart on Tuesday. No cause has been determined as yet for the explosion.

The Relief Society furnished the Sunday evening program in the 2nd ward and speakers were: Mesdames Scott Salmon, S. B. Smith and Sarah Holt. Music was by the singing Mothers directed by Mrs. J. LeRoy Anderson. A nice crowd was present to enjoy the interesting program.

Mr. and Mrs. A. B. Brown are in receipt of a letter from their son Clifford, on duty with the U.S. forces in the Philippine campaign. He was in action for 34 days against Japanese forces when wounded, the bullet going through his body high enough to miss his lungs and low enough to not damage his back or neck bones. He was convalescing when he wrote. Clifford said he was very fortunate. For this and other meritorious action he has been awarded the Purple Heart of which he and all his family are very proud.

THE ATHENAEUM CLUB

The regular monthly meeting of the Athenaeum Club was held in the library on Monday, March 5th with six members present.

Alice Mitchell the president took charge of the meeting and the minutes were then read and approved.

The program was Home Decorating and Irene Hoffaday led the discussion basing it on the book Personality of a House by Emily Post. Color Combinations from the Beehive Manual. Various types of Curtains and the removal of Paint, lead somine and Wallpaper from the Youth Training Manual. A lively review and discussion of ideas then took place till the meeting adjourned.

MARCH IN LIKE LION

March has definitely come in like a lion. Thursday and Friday were pretty good, but daylight Saturday morning found a snow storm coming from the north on the wings of a sharp cutting breeze which continued Saturday night and Sunday. The mercury sank to 12 below Saturday night and Sunday night it bottomed at 14.

Around midnight the wind switched to the south and started bringing back some of the powdery snow it had blown south Saturday and Sunday and at daylight it was blowing a gale with the snow mixing with sun merfallow and the thermometer down to about 7 or 8 below. School children and adults travelling against the wind went backward about as much as they did forward to protect their faces from the cold. It subsided about noon and the afternoon was quite mild and pleasant. Tuesday was mild except for a little while in the afternoon when the wind blew from the north and a little snow fell.

We hope the old saying "a lion and out like a lamb" holds true. While we have not had very much really severe weather, we have had a lot of zero and freezing weather and it gets rather boring. It is that time of year now where we may hope for balmy weather to get us ready to start to prepare for spring.

HERE'S MY FEED PROBLEM

When should I start feeding my chicks growing mash?

HERE'S THE ANSWER

Whether you rear your birds indoors or on the range, start feeding "Miracle" Growing Mash about the 7th week. We say "MIRACLE"

Growing Mash, because "Miracle" contains all the elements in balanced proportion needed to build sturdy hens so that they will be prepared to stand long and high egg production. And if you have plenty of grain, ask your dealer for "Miracle" Growing Mash Supplement . . . and make your own growing mash.

LADIES NIGHT AT ROTARY

Monday night was Ladies night at Rotary, held in the Stako House. 59 people sat down to a lovely supper prepared and served by Mrs. Layne, and then Messrs. Llewellyn and Glass or from Lethbridge entertained the crowd for an hour and a half with views of different flower gardens in Lethbridge and also photos of exhibits in the Lethbridge Horticultural show. These views were in color and certainly brought out the tints of the flowers and so on beautifully. The idea back of the exhibit was to increase the interest locally in flowers, shrubs, and so on and several guests, especially interested in horticulture were invited to attend. Following the exhibit dancing was enjoyed by the crowd and everyone voted the evening a complete success.

FREE CHOICE

HAT'S all this talk about life insurance being a monopoly?

ANSWER: It's just not true. If you want to shop around in Canada for insurance—you can pick an American company, or a British company, or a Canadian company. You may choose a stock company, or a strictly mutual company. You may select either a participating or a non-participating policy.

You mean there's real competition?

ANSWER: There is, indeed. Anyone who has let it be known that he is in the market for insurance realizes just how keen competition is between the different companies. He knows they offer a wide variety of plans and premium rates. Monopoly is a term which can never be truthfully applied to the life insurance business in Canada.

breadlines and soup kitchens, and he said that a system of distribution of goods and services which would provide for a higher standard of living for all with reduced physical exertion was the only sane solution. The only group offering anything concrete as a solution to this problem is the Social Credit Party.

He said "play is what we want to do, work is what we have to do." If we could organize so that our work would seem like play every one would work and be happy about it. More leisure with a guarantee of receiving the good things of life would tend to greater development, and this is what everyone would like to see.

Mentioning the things necessary for prosperity he mentioned these: A great aggregate of goods and services to start on a high national income, which must be maintained; and this must be shared amongst all. Our present systems off no such service so we must have a change. He spoke of the advance in Cleanury in the last few years and said that foreign trade would lose much of its importance in the post war period because nations will take their own products and make the things they do not have and he mentioned rubber, plastics, and other items which had been processed from wheat, coal, and other products which are here in abundance.

He urged more adult education in a study by all of our national problems so that when we had to make a decision it could be made in the light of all the facts. We should change our thinking, as there surely

is something wrong when people will spend twenty million dollars a year for liquor and complain when they are asked to appropriate five million year for education. Unless people know what they want and demand that their wishes be carried out, they will always be the victims of political organizations who go out to get what they want done whether it is in the best interests of the people or not.

WARNING

TO ALL PERSONS PLANNING TO MOVE TO

Victoria · Vancouver · New Westminster

Hamilton · Toronto · Ottawa · Hull

As part of a plan to meet congested conditions, all persons who propose to rent or occupy family quarters in any of these Emergency Shelter Areas are required by Board order first to obtain a permit from the Administrator of Emergency Shelter for the district.

The purpose of the order is to help those who must be in these areas to obtain necessary accommodation.

Before completing arrangements to move to any of these districts, write to the Administrator for full particulars of the Emergency Shelter Regulations as they apply to that district.

THIS IS THE LAW

No person may move to and rent or occupy family quarters in any of these districts without an Administrator's permit (Form E.S. 1).

Every person who rents or occupies family quarters in any of these districts contrary to the order, commits an offence and, in addition to other penalties, will be required by the Administrator to vacate the shelter and the district at his own expense.

The Emergency Shelter Regulations provide serious penalties for hindering or obstructing these efforts and for any contravention of the regulations or of an order of the Board or of the Administrators.

"CANADA IS IN DANGER"

Hear the Facts

KNOW the TRUTH about the C. C. F.

How do we know the C.C.F. will keep their promises...

The C.C.F. made promises in Saskatchewan last year. They kept their promises to labor by:

- 1) Making Collective Bargaining Compulsory.
- 2) Making it Compulsory for Employers to give every Working Person 2 weeks holiday with pay.
- 3) Setting up a department of Labor for the express purpose of seeing that Labor gets fair play.

HOW MUCH OF THIS MONEY WENT INTO YOUR POCKET?

THAT'S A LOT OF MONEY! It represents the gross agricultural production in Canada for 1944 as estimated by one of the country's leading farm magazines. It represents the earnings of Canada's biggest primary industry.

Is the share of this huge sum of money which came off your farm as much as it might be? In other words, is your farm producing to the full extent of its possibilities? Could it be made to produce more?

You can answer these questions for yourself best if you are in a position to know exactly how much you spend and how much you receive in each of your farm operations.

You can know these facts only if you have some

reliable way of keeping track of your receipts and expenses. We don't mean anything complicated... just the opposite—something quite simple, such as our Farm Account Book.

A few minutes at this book every day or so and you will know just which operations of your farm are doing well, which only fair, which are falling behind. Then you can take the necessary steps to correct matters.

A copy of this book is yours for the asking. Call at our local office for a copy. While you are in, have a word with our manager. He will be glad to see you and to discuss any problems you may have in the operation of your farm.
